

BOLZANO AIRPORT

FEEs & CHARGE REGULATIONS

Authorized by the
Italian Ministry of Infrastructure and Transport

Ministerial decree 19th June 2014, no. 284

See the following publications:

www.mit.gov.it

[www.enac.gov/La regolazione Economica/Aeroporti/Diritti aeroportuali/index.html](http://www.enac.gov/La%20regolazione%20Economica/Aeroporti/Diritti%20aeroportuali/index.html)

The airport passenger boarding, landing, take-off and parking fees, and any other fee determined by the Italian Government, are approved by a Ministerial decree, published in the Official Gazette of the Italian Republic.

Once in force, they are also available at the official website of Bolzano Airport

www.bolzanoairport.it

All the amounts indicated are in Euros (€)

STANDARD HANDLING FEES

General Facts

Charges applied by ABD AIRPORT SPA are approved by the Decree of the Minister of Infrastructure and Transports no. 284/2014 *"Approval of rates for the handling fee to be applied at the airport of Bolzano."*

Legal frame:

- Law 2nd October 1991, no. 316
- Law 24th December 1993, no. 537
- Directive 96/67/CE of the Council of 15th October 1996
- Legislative Decree 25th July 1997, n. 250
- Law 24th April 1998, no. 128
- Legislative Decree 13th January 1999, no. 18

All the amounts are in Euro (€) – VAT not included

The fee, calculated on the maximum take-off weight (MTOW) resulting from airworthiness certification of the aircraft, rounded to the higher ton, covers the services listed hereinafter, no matter if they are used or not.

Standard handling fee applied for Commercial Aviation (AOC Holder)

Fee per ton served € 18,47

Standard handling fee applied for General aviation/Business flight

Fee per ton served € 10,48

List of services included in the standard ground handling fees for the Commercial and General Aviation (used or not):

- a) Check-in and passengers boarding
- b) Assistance of arriving/transit passenger
- c) Sorting of baggage
- d) Lost & found
- e) Load control and load-sheet
- f) Communications
- g) Flight documentation
- h) Water service
- i) Aircraft loading
- j) Aircraft unloading
- k) Standard interior cleaning
- l) General information
- m) Trough check-in (if available)
- n) Coordination of operations
- o) Assistance for parking, needed equipment and vehicles, transport of freight and baggage

EXEMPTIONS AND REDUCTIONS

Fee for partial handling standard services

The handling fees reduction by 50% applies to the following flights:

- diverted flight
 - cancelled flight
 - ferry flight / aircraft positioning
 - training/check flight
 - technical flight
 - transit flight
-

No handling fee will be charge to general aviation flights with maximum take-off weight (MTOW) below 2 tons, **if parked on GRASS APRON (apron 300).**

No handling and airport fee apply to officially declared State-, humanitarian-, emergency flights. Training flights with a Flight Instructor or Examiner on board (after 2 hours parking fees apply anyway).

Flights belonging to the "*Aeroclub Bolzano*" and/or aircraft based at Bolzano Airport are governed by a special agreement.
